PROFESSIONAL EMPLOYER ORGANIZATION FINGERPRINT CHECK

A fingerprint check must be completed by all proposed new controlling persons. Fingerprint checks for PEO Licensing in South Carolina are performed by L-1 Identity Solutions. The instructions for both residents of South Carolina and non-residents of South Carolina are included in this form.

South Carolina Residents:

Must visit a local L-1 Identity Solutions office to have fingerprinting performed. Appointments are made online as set forth on the [South Carolina Residents](#) instruction sheet. Applicants should complete the [SAFE](#) form and bring it to your appointment.

Non-South Carolina Residents:

Applicants must follow the instructions on the [Non-South Carolina Residents](#) instruction sheet. Due to the design of the L-1 Identity Solutions system, and how it routes electronic information to South Carolina law enforcement, you cannot schedule an appointment at an L-1 Identity Solutions local office outside of South Carolina, even if there is a location near you. Applicants who reside outside of South Carolina must use L-1's Card Scan Processing Program. Applicants must request fingerprint cards from the Department by calling (803) 734-4251 or by email at tgibson@sccoconsumer.gov

Non-South Carolina Residents Card Scan Processing Procedures

This program utilizes advanced scanning technology to convert a traditional fingerprint card (hard card) into an electronic fingerprint record. Converting a “hard card” into an electronic record enables an applicant to have their fingerprint record processed as quickly as if they had traveled to an electronic fingerprint processing location in South Carolina. The section below details the procedures for submitting fingerprints to the Card Scan Processing Unit.

South Carolina Department of Consumer Affairs Professional Employer Organizations/Controlling Persons

- FBI applicant cards (Form FD-258) **MUST** be obtained from the Department of Consumer Affairs. Please contact the Department directly to obtain fingerprint cards by calling (803) 734-4251 or via e-mail at tgibson@scconsumer.gov. *Due to agency specific information, L-1 does not provide fingerprint cards to applicants.*
- Applicants should obtain a set of fingerprints from a local law enforcement agency or other entity that provides fingerprinting services. These fingerprint cards may be either traditional ink rolled fingerprints or electronically captured and printed fingerprint cards.
- Applicants need to make sure the fingerprint card is completely filled out. **Required information includes:** ORI number (SC920080Z), full name, social security number, date of birth, home address, sex, height, weight, hair color, eye color, place of birth (state or country only), citizenship, and reason fingerprinted.
- The ORI number (SC920080Z) and Reason Fingerprinted that must be used for on the fingerprint card should be provided by the licensing or certifying agency.
- **Failure to completely fill out the information on the fingerprint card will result in the card being returned to the applicant, which will delay the licensing process.**
- The fully completed card, a completed SAFE form, and the appropriate fee of \$54.25 per applicant should then be mailed to the following address:

L1 Enrollment Services
Attn: SC Card Scan
1650 Wabash Ave Suite D
Springfield, IL 62704

Please include a daytime telephone number where the applicant can be reached if we have a question about the fingerprint card.
